PARLIAMENT MATTER || LSUSQ Dy No. 9150 for answer on 15.03.2021  
regarding EBSB

(a) the details of main activities are being accomplished under EBSB

Reply:

IISER Kolkata student affairs organized multiple events under the theme of Ek Bharat Shreshtha Bharat. Instead of organizing one special event for such theme student affairs council organized multiple small events like Makar Sankranti, which mainly had three main programs, a kite flying competitions- This day is said to mark the end of the winters and beginning of spring in our country, bringing joy for the farmers of getting new crops; a feast- North-India foods, Cultural programs perform by the students from various parts of the country to showcase their cultural and musical roots of that part of the country. Basant Panchami, this occasion marks the congruence of people from a wide variety of faiths, cultural and demonstrated Bengali traditions to IISER Kolkata student community in particular and IISER Kolkata as a whole. Students from other parts of the country enjoy and taste and learn the Bengali food, culture, music and many more. Utkal Divas also performed at IISER Kolkata where not only culture of Odisha but of all the states was exchanged by the student community. These overall programs had major implications on the cultural integration among the students community coming from various parts of India at IISER Kolkata.

Some other events in which the theme was incorporated – like Quiz sessions on the cultural aspects of India, regular public speaking sessions organized by Literary Club, screenings of movies in various languages of India like Hindi, Marathi, Bengali, Telugu and documentaries. IISER Kolkata Students under guidance of Students Affairs Section organizes such programs throughout the year which promotes cultural integration and sense of unity in students from the various parts of the country. All students are brought to a same platform and are tied by a common thread of harmony and unity by these plethora of colourful and heartwarming as well as informative events of IISER Kolkata, The SAC and IISER Kolkata family in whole, takes immense pride in hosting and co-ordinating this type of events throughout the year, where students from all sides come together and share memorable moments, smiles and a sense of brotherhood, and this is what has engraved the campus and atmosphere of IISER Kolkata in the hearts of all the ex and present members of IISER -K family. And this will be followed for the times lying ahead and will serve the same purpose of maintaining and cherishing the diverse and the unique colourful social fabric of the nation.

Such events strengthened the bonds among the student community through enhanced and continuous mutual interactions among students of varied regions and enriched the value system of unity amongst people of different States. Like our great country 'India', IISER Kolkata campus is also, quite as diverse, multilingual and multicultural, campus where all the students bind together by their tradition and cultural values.
